

A map of the Indian subcontinent with a light tan background and blue outlines for rivers and coastlines. The Indus River is shown on the western side, flowing from the north towards the Arabian Sea. The Ganges River is shown in the northern-central region, flowing from the north towards the Bay of Bengal. The Arabian Sea is labeled on the west coast, the Bay of Bengal on the east coast, and the Indian Ocean on the south coast. The island of Sri Lanka is shown at the southern tip of the continent.
