

World History and Culture  
Kailua High School  
Social Studies Requirement  
2023-2024

Instructions: First read and annotate (or anno-light) the article. On separate paper, type the class heading, write two citations for the article, skipping one line after each citation.

Using the title and each sub-section of the article, copy your annotated portions of the article. **SKIP ONE LINE BETWEEN EACH** note that you copy. You may use bullet points.

After writing the notes for the article, address the themes in the article.

Write a one paragraph summary of the article.

Provide 10 vocabulary words from the article by using the following format: consecutively number each word. Include for each word its part of speech and a definition that is related to the article. Then write a sentence for each word that demonstrates its meaning in the article. If you do not include 10 vocabulary words, your assignment is incomplete and will receive a zero.

**See attached example for the format of your work.**

BBC NEWS. 2016. "What is India's caste system?" BBC NEWS. 25 February.

What is India's caste system?

- 

- 

How did caste come about?

- 

- 

How does caste work?

- 

- 

Is the system legal?

- 

- 

What about job quotas?

- 

- 

Themes: Theme 5: Social Interactions and Organization (SIO)

relates to this article because assigning different status to different castes creates to social structure.

Summary: Caste in India is 3000 years old and has determined the social status of hundreds of millions of people. Some people are merchants, some are warriors, some—god help us—are teachers! Today caste is still legal, but cannot be used for discrimination. Caste is used in political campaigns, especially for the Jats.

Vocabulary:

1. concerted: adjective: definition

Testing at our school is a concerted effort among students, teachers, and administrators.

2. **Jat**: noun: a member of a people widely scattered throughout the northwest of India and Pakistan

Most of the votes in India's last election came from the Jat.
