Mr. Wilson

**Instructions:** Convert the following research citations into a Bibliography or a Works Cited. **First**, reverse first and last names. **Second**, move the year of publication after the first name. **Third**, omit URL unless the URL is the source. **Fourth**, alphabetize the list. **Fifth**, change indentation of first and succeeding lines.

For example:

Christine Russel. "Four Million Test-Tube Babies and Counting." the Atlantic. Oct 7, 2010.

will become:

Russel, Christine. 2010. "Four Million Test-Tube Babies and Counting." the Atlantic. Oct 7.

If there is more than one author, reverse only the first author. For example:

Rob Stein and David Brown. "Embryonic stem cells appear to restore some vision to legally blind patient." The Washington Post. January 23, 2012.

will become:

Stein, Rob and David Brown. 2012. "Embryonic stem cells appear to restore some vision to legally blind patient." The Washington Post. January 23.

Rob Stein. "N.Y. to Pay for Eggs for Stem Cell Research." The Washington Post. Friday, June 26, 2009.

Kimberly Yuen. "Tot's development went through ice age." Staradvertiser.com. Friday, August 13, 2010.

Sabrina Tavernise. "His Fertility Advance Draws Ire." The New York Times. MARCH 17, 2014.

Teisha Rowland. "In vitro Fertilization, Part I: A Brief History." Santa Barbara Independent WHO.WHAT.NOW. Friday, July 2, 2010.
